

Being at home

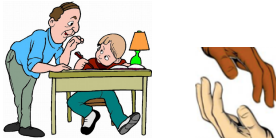

There is no school. School is closed.

I will be staying at home with my family.

I will do my best to do my school work at home.

My family will help me.

My teacher will help me.

I might see my friends with my teacher on the screen.

This will be good and will make me feel happy.

My family will tell me when I can go back to school.

I will all do my best at home.
