

What happens if you test positive for Coronavirus?

If the test shows you have Coronavirus you must self-isolate.

This means you must stay at home.

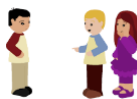

10 x

You must stay at home for 10 days from the day you tested positive.

You must not go near other people.

You must not go to the shops.

You must not physically meet up with friends.

It will be okay.

You can speak to your friends on the phone.

You can see your friends on the screen.

Your family will help you stay safe and healthy.
