## What does this policy affect?

This policy affects the delivery of subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

*The regulator's definition of an examination is very narrow and in effect any type of assessment that is not 'externally set and taken by candidates at the same time under controlled conditions' is classified as non-examination assessment (NEA). 'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'.*

This publication is further referred to in this policy as [NEA](#)

## **Purpose of the policy**

The purpose of this policy, as defined by JCQ, is to

- ▶ *cover procedures for planning and managing non-examination assessments*
- ▶ *define staff roles and responsibilities with respect to non-examination assessments*
- ▶ *manage risks associated with non-examination assessments*

*The policy will need to cover all types of non-examination assessment.*

[[NEA](#) 1]

## **What are non-examination assessments?**

This is explained in [NEA](#).

*Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.*

*There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:*

- *task setting;*
- *task taking;*
- *task marking.*

## **Appendix 1**

### **Access to Fair Assessment**

#### **Statement of Assessment**

- We aim to provide a variety of qualifications which provide all students with the opportunity to achieve their full potential by the most appropriate and direct route. This will be determined by pupil ability. Always support through discussions with the pupil and their parents/carers.
- Our Assessment Policy is based on the concepts of equality, diversity, clarity, consistency and openness. As far as possible we always support pupils in overcoming any particular barriers to achievement including disability, English as an additional language, etc.
- We will endeavour to ensure that the assessment processes are implemented in a way which is fair and non-discriminatory.

#### **Access**

- Students are made aware of the existence of this policy and have open access to it. It can be found on the school website and in the Wyre Forest School Candidate Exam & Accreditation Handbook provided for all candidates and shared with teachers.
- All teachers are made aware of the contents and purpose of this policy.
- This policy is reviewed annually and may be revised in response to feedback from students, teachers and external organisations.

#### **What students can expect from us**

- We aim to ensure that all assessment of work is carried out fairly and in keeping with the awarding body's requirements.
- All portfolio-based work will be assessed fairly against the qualification standards and teachers involved will be fully trained.
- Internal assessments will be carried out fairly and according to awarding body instructions.
- Externally marked tests and exams will be according to the requirements of the awarding body.

#### **Students can also expect:**

- To be fully inducted onto a new course and given information that can be shared with parents and carers.
- Learning outcomes, performance criteria and other significant elements of learning and assessment to be made clear at the outset of the course and when assignments are set.
- To be given appropriate assessment opportunities during the course with feedback provided on the quality of the work.
- All work to be marked within two weeks of submission by the student.
- Where equivalents and exemptions can be applied, we will ensure this is pursued with the relevant awarding body.

### **Cheating and Plagiarism**

A fair assessment of student's work can only be made if that work is entirely the student's own. Therefore, students can expect an awarding body to be informed if:

- They are found guilty of copying, giving or sharing information or answers, unless part of a joint project.
- They use an unauthorised aid during a test or examination.
- They copy another student's answers during a test or examination.
- They talk during a test or examination. All allegations of cheating and plagiarism will lead to a full investigation which will follow the guidance of the relevant awarding body. If a student feels he/she has been wrongly accused of cheating or plagiarism, they should be referred to the Complaints Policy.
