Message from Mrs Garratt

1. We have a new poster up in the reception area and on the outside notice board with regards to conduct from visitors to our school. I would really appreciate it, if when you are visiting the school, you take a few moments to read it, thank you. We will not tolerate any abuse from parents or visitors at our school or on our school grounds.
2. Pupils must hand their mobile phones in to their class teacher when they arrive at school please.
3. Please let school know if your child is not attending as early as possible after 8am - we need to know the reason so we are not putting them down as an unauthorised absence.
4. We have been advised by the Police that due to the current climate we need to have a 'lock down' protocol in place in school. We are going to make this as easy and as much fun as possible for our children. We will practise it once a year and will always let parents know beforehand when we are going to do this.
5. Russell House request please.... We are starting a gardening project down at Russell House, could anyone offer any large pieces of polythene?
6. Sixth Form request please... Has anybody got any unwanted hanging baskets we could have?
