

Newsletter Friday 2nd February 2018

Menu Week: Week beginning 5th February will be Week 3.

Message from Mrs Garratt

If a child damages school property the class team will speak to parents/carers on the same day and advise you that you may receive a letter once replacements costs have been obtained showing how much it has cost the school budget and asking for a donation. As you have seen in the media our school budgets are being cut annually and we can't afford to replace or repair damages so we really appreciate a donation towards this as per our Charging and Remissions Policy.

Please could you ensure **all** uniform has your child's name in please, it will help greatly with PE and swimming. Many Thanks.

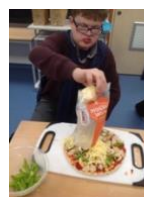

Are you online

On Tuesday, February 6th we will be completing activities and finding out even more about how to use the internet safely. The theme this year is “**Create, Connect & Share Respect**”. We will particularly look at who we are connected to, who keeps us safe and how we show respect, both on and offline. Although this is a national day to focus upon internet safety we continue to embed our Wyre Forest School message of “**Are you online smart?**” throughout each lesson. If you would like to try some activities with your child try www.saferinternetday.org or chilnet.com

12BC

Class 12BC have been making pizzas in Food Technology as part of their ASDAN Personal Progress work for the unit ‘Preparing Drinks and Snacks’. They have been doing well choosing toppings, adding them to the base, and following health and safety rules, such as wearing an apron and washing hands. They have taken them home to share with family, from whom we've had some good feedback.

7W

7W have been experiencing their own mystery story as a crime has been committed in their classroom - the sweet tin has been stolen! The class have narrowed their investigation down to 3 suspects and have written questions for their interview which took place on Tuesday. Hopefully they will catch the thief!

11G

11G Class have been working hard recreating circus pictures during art, they are working towards their next art qualification. Keep up the hard work.

Last, but not least...

A big thank you to everyone who voted for the allotment in the Tesco Groundwork Charity. We came second and have been awarded £2000 which will buy us a new shed and some much-needed tools. Many Thanks from The Sixth Form.

Friends of Wyre Forest School

Rainbow Day - Friday 16th February
