Russell House News

There are lots of new things going to be happening at Russell House over the next few weeks.

Firstly we have introduced “student of the week” and last week it was Stevie and Nathan. Stevie for becoming more independent and Nathan for being kind to others and listening well to staff. Secondly, we are going to be holding a themed night every term where students will be able to experience foods from around the world.

Russell House staff and students are holding a royal tea party on the 16th May to celebrate the Royal Wedding. Students will be baking cakes and biscuits.

Activities this week have been swimming, playing pool and ‘go kids go’. We have also been making the most of the weather and have been for walks to the park and doing a spot of gardening.

Sixth Form News

On our community visits, some Sixth Formers had requested a visit to see an old pupil who has transitioned to The High Flyers Centre in Wombourne. It was a real positive visit and showed our present students who will be leaving this year an insight to ‘life beyond school’. Our students had expressed a wish to visit their friend to see how she was getting on and what she was ‘getting up to’ now she had left school, she was able to share with us all the new exciting activities she does and showed us around.
