OAK Class

OAK Class have been exploring root vegetables linked to their learning about the 'Enormous Turnip'. We had a kind donation of vegetables from Bewdley Farm Shop. The children have enjoyed chopping, 'planting' and painting with the vegetables.

9S Class Build

This term we have been learning about rivers, mountains and canals. They have worked as a team to build a beautiful 3D model to represent their learning from the term by working in groups to build different aspects of the model. Lucy and Sam built the river and grass, Tom and Stevie built the mountain, Freya made the trees, Finlay built church and road, Mason and Josh built the bridge and canal. They have all worked exceptionally hard this term well done.

Royal Wedding Celebrations in school

Children and staff were invited to wear RED, WHITE and BLUE items to school last Friday if they wanted too, to celebrate the recent Royal Wedding. Class 8K had a class tea party and had British bunting, flags, tea and cake. The class were able to share milk and sugar and pass around the cakes. The children

really enjoyed it!

All the Early Years children got together at the Hub and had a party in their playground – much fun was had by all!

Top Tip from the Speech and Language Team ; Communication friendly ways to use your iPad

Go online to **find photographs of new words** - a picture gives children something to attach to new words

Take photos during a trip or activity and use them to tell the story later or to help them structure a written narrative. Teenagers can create a snapchat story and use help structure writing

Use the **calendar** to plan, organise and set reminders – a great way to help young people become more independent and organised

Take photographs of routines and make them their own personal task management board
