Top 3 classes: 1. **7H** = 97.1% 2. **8H** = 96.5% 3. **HOLLY** = 96.3%

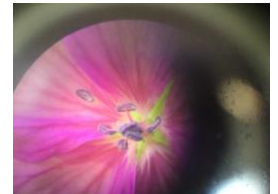

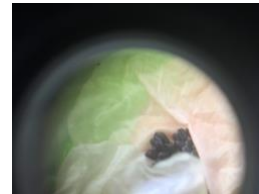

Wyre Forest School Prom

Once again, another successful Prom was had by the students and staff of Wyre Forest School. The guests started with 'mocktails' at school and then went to The Gainsborough Hotel with DJ, Disco, Lighting and Table decorations all provided by Cupids Wedding Designs.

Science and Food Technology with 9B

In Science, 9B are currently learning about the parts of flowers. They were observing flowers through microscopes and Katie has taken some beautiful photos with her iPad!

A massive well done to the students in 9B who have been designing, baking and decorating their own celebration cakes. As you can see they were a triumph, and the variety of designs turned out really well, even when using buttercream on such a warm day! I am so pleased with their hard work and massive commitment to this project and their amazing attitude in Food Tech. Keep up the great work.

Ms Jilli Guy
Food Tech specialist
teacher.

12BC Special Olympics News

Harry took part in the Special Olympics event on Saturday. He got gold medals for the 50-meter run, soft ball throw and long jump, and silver in 40m x 50m relay. Well done Harry!

9S Day out at Little Owl Farm Park

What a fantastic day Class 9S had at the Little Owl Farm Park this week with lots of smiles and giggles throughout the day. They explored the farm and fed deer, goats, lambs, cows, ducks and many more animals. They enjoyed a talk with the farm staff, finding out about baby animals and they petted piglets, lambs, chicks, chinchillas, rabbits and even a grumpy hedgehog.

Friends of Wyre Forest School Summer Fayre

This week there is a flyer coming home with all students requesting donations and help for the Summer Fayre. All donations and help will be gratefully received! Summer Fayre is on 13th July from 2pm onwards.

Top Tip from the Speech & Language Team

5 ways to support children's transition

Make a book of their questions AND the answers so they can keep revisiting it

Get photos of key people and places

Tell them about any new rules in their next class or setting

Tell them what will be the SAME about their new class or setting as well as what will be different!

Acknowledge their anxieties but make sure you are confident and positive yourself about the change

Every year the NAS holds The Autism Show at the NEC in Birmingham. It is a wonderful opportunity for professionals, parents and learners to spend the day looking at resources, new technologies, as well as finding out about new developments and research.

For parents, there are walk in clinics with a range of professionals to seek individual advice and support, as well as numerous workshops and training sessions to attend. The most inspiring and unmissable feature of the show is the opportunity to listen to a number young people and adults as they talk about their autism, as well as engage in question and answer sessions.

For an entry fee of £15 it is well worth a visit. Sadly, this year's event has happened, but information about next year's show will be advertised in the newsletter as soon as it is released.

Events Calendar for July

With the newsletter this week, there is a calendar with details of events coming up for the rest of this term – any queries, please speak to your child's class teacher, thank you.
