## Recent Football Match News..... no, not *THAT* news....

Recently Wyre Forest School has hosted two football matches. One against the staff of the New Elizabethan School Hartlebury – and WFS won (3 – 1)!

The other one, however, we did not do so well in. We invited students from Regency High School over to play football against our students, and we lost (5 - 1).

## More Special Olympics News

Aidan from 9FS won 4 medals recently at the Special Olympics – Well Done Aidan!

## Brintons Park Splash Pad

Wyre Forest District Council have kindly agreed to open the 'splash pad' at Brinton's Park, Kidderminster between 6 – 7pm every Friday until the end of the summer holidays. This session is primarily for those with Special Needs and their siblings and offers an opportunity for play at a time when the park will be a little quieter.

## Sixth Form News

Sixth Formers have been very busy recently - they hosted an Employers Lunch last week and many companies across the Wyre Forest joined us.

The Spar on Marlpool Lane were extremely kind and donated some items towards the lunch and the sixth form students enjoyed preparing pasta bakes, salads, baked potatoes and a delicious trifle for the visitors.

The sixth form students then delivered a presentation to the employers to let them know what employability skills they have developed for work and what their barriers are when applying for jobs.

The employers were extremely impressed with our young people and many of them have offered to work with us to help our students learn more about the world of work.

If you know of any businesses that would like to work with the school, please get in touch with us and ask to speak to Rebekah Thompson.
