

Newsletter Friday 14th September 2018

Menu Week: Week beginning 17th September will be **Week 3**

Attendance: Whole School Target 2018/19 is 95%

Please remember we are a 'nut free' school - please do not send your child in to school with any nut products, this includes items such as 'Nutella' or any coconut products - thank you.

Fundraising for Wyre Forest School!

One of our parents raised £205 during the summer holidays by having his chest waxed!!! Here's Mrs Garratt gratefully receiving the money!

Summer Holiday Club

A massive "Thank You" to all the staff who helped making the Summer Club a great success and, yet again, putting big smiles on everybody's faces. I think it's safe to say, that they all had a fantastic time and thoroughly enjoyed the various activities and trips. The weather was really on our side as well, allowing us to have some fabulous trips and picnic lunches out. Some of the places we went to were: The Little Owl Farm, Top Barn, Safari Park, Sander's Park, Kinver Edge, Bowling, Hartlebury Museum, Lickey Hills, Bodenham Arboretum, The Wyre Forest, Cookley, Nineveh Ridge Care Farm, Bewdley and Habberley Valley.

Also a big Thank You to all parents/carers and children for their continued support. Letters for the October Club will be going out shortly.

Lotte Tvede - Holiday Club Coordinator

Holly Class

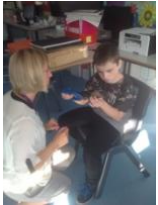

This week the children have been learning about character descriptions. They immersed themselves into a range of their favourite characters including Scooby Doo and Little Red Riding Hood. The children thoroughly enjoyed role play to immerse themselves into the characters, and used symbols and word mats to creative descriptive sentences and character profiles.

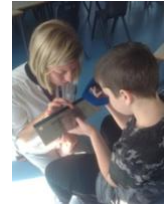

7A News

7A have enjoyed their new timetable this year with some transitions happening to subject classrooms. We have visited the forest school area to explore the trees, bark and leaves for our diorama project in Art. We found different textures of bark to do bark rubbings with.

Jordan in 7A has enjoyed exploring the tools in DT. He knows the name of each tool and has been talking about how he uses these tools at home with his dad.

7P News

7P have had a great first week back. We've been exploring all of our new subjects, getting to grips with the science of plants and exploring France!

13S News

13S have took to the kitchen this week and have been preparing their own sandwiches and we even found time to make a yummy apple crumble!

Apologies, but currently our Forest School Area is closed to pupils due to an issue on site which we hope to resolve as soon as possible.

Russell House Changes

Malcom has left Russell House and has been replaced by Craig who has joined the team.

Please can all parents and carers keep the school office updated with any change of contact details, thank you.
