## Secondary Food Tech News

Our feet have barely touched the ground since returning to school in September. Students have been busy throwing themselves into their food tech lessons.

10S have been doing a great job of preparing sweet scones, which they sampled with clotted cream and jam, so delicious whilst still warm from the oven!

10T have prepared savoury cheese and bacon scones this week, which were a huge success.

The Year 11's have been practising their skills whilst preparing lasagne, made with home-made pasta, chicken curry and butternut squash risotto.

Keep up the great work everyone.

## 7P News

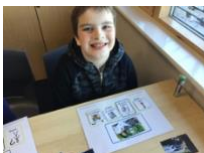

7P have had lots of fun performing the fairy song from A Midsummer Night's Dream. We used our Art lesson to leaf print a backdrop and our I.T lesson to film our performances - we even made up some of our own lyrics!

## 7A News

7A have been exploring the story of Diwali. We created firework pictures and lanterns to decorate our classroom ready for the celebration of Diwali.

We have also been understanding the structure of sentences and how we need to use key information and we have used photos and symbols to support our learning.
