A parent's guide to the SEND Local Offer, SEND Services and who can help

## Information Sessions for Parents/Carers/Families:

- Do you have a child with Special Educational Needs (SEN) or Disability?
- Do you know about Worcestershire's SEND Local Offer?
  - It provides information about what's available for families across education, health and social care for children and young people who have Special Educational Need (SEN) or are disabled, including those who do not have Education, Health and Care (EHC) plans.
- You can find out about resources, services, support, groups and activities
- We'll also cover what support schools should be offering

Worcestershire County Council, Families in Partnership (Worcestershire's parent carer forum) and the SEND Information, Advice and Support Service (SENDIASS) are joining together to offer some short information sessions (just 90 minutes long) for parent carers about the SEND Local Offer and SEND services.

These information sessions are aimed at parent/carers of children and young people with additional needs.

They are designed to give you an overview of the SEND Local Offer and SEND services.
