Happy New Year and we hope you had a really lovely break. We would like to thank all the parents and pupils for all the lovely cards and gifts staff received for Christmas, it was very much appreciated.

P.S. Don't forget, any empty chocolate/sweet tins would be most welcomed by the food technology department.

Thought of the Week

As part of WFS ongoing development of PSHE and SMSC delivery this year we have introduced "Thought of the Week" in Middle and Upper phase.

Thought of the week is being used to inform our assemblies and tutor time, encouraging quality experiences and discussion across the phases.

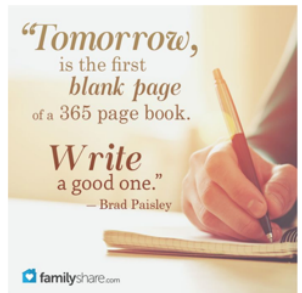

Each Friday the "Thought of the Week" for following week will be on the newsletter and on the school website along with a set of questions for you to look at, at home with your young person.

Resolution

Tomorrow is the first blank page of a 365 page book. Write a good one

Resolution

What is a resolution?

Why do we make resolutions?

do you make resolutions?

How do you keep your resolutions?

do you keep your resolutions private or do you tell your friends?

do you need help to keep your resolutions? if so what?

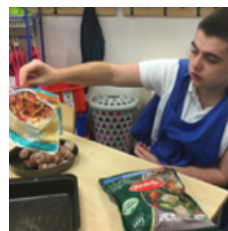

Are you online

Safer Internet Day: 'Together for a better internet' is on Tuesday 5th February. Pupils will be learning about consent when using the internet. They will be accessing activities within the classroom and wider school. If parents would like any more information then please visit www.saferinternet.org.uk.

Class 13S have been cooking their own lunches!

Before we broke up, Class 13S made their very own Christmas dinner. They went shopping to Sainsbury's to buy all of the ingredients in the morning. All the pupils helped to make the dinner and we finished it off with a lovely apple crumble. Well done 13S you all worked well as a team to make an amazing dinner.

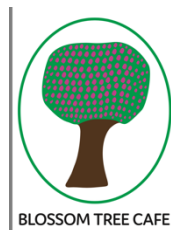

Has your student mentioned 'The Cage' ???

We've had a few worried parents contact us recently as their students have been coming home and saying they've been spending time in 'The Cage'. We would just like to reassure all parents that the cage is the fenced off tennis court area on both the Primary and Secondary playgrounds, that children use during breaktimes and lunchtimes, with other children and staff.

Thank You To The Friends of Wyre Forest.

We would also like to take this opportunity to thank the 'Friends of Wyre Forest', who held some amazing events and raised money for us last year – make sure you look out for more exciting things they have planned for us this year! The next meeting is at Blossom Tree Café (Springfield Park, Kidderminster) on Wednesday 16th January at 10am. Everyone is welcome to join us for coffee and a slice of delicious cake!
