

My School Fund is an exciting initiative that combines the spending power of parents, guardians, carers and teachers to help boost our WFS budget. Families connected to WFS school can earn cashback on behalf of WFS and themselves when they spend with participating retailers including Sainsbury's and Argos. Watch the introduction video below or register now at [www.myschoolfund.org](http://www.myschoolfund.org).

## How does it work?

My School Fund links your spend to your chosen school, meaning every time you make a purchase at participating retailers you both benefit through an innovative cashback scheme.

## What's in it for me and my child's school?

Both you and your child's school will receive eGift Cards to spend in participating retailers based on a percentage of your overall spend.

Add that all up across the school's network of families and together we can all make a big difference!

Welcome on board!

You have successfully registered for the My School Fund initiative. To ensure that you start collecting your eGift rewards, you will need to add at least one payment card to your account. It's best to add the cards you use most regularly to help build funds for yourself and Wyre Forest School when you spend in participating retailers.

Good news, you're now able to link up to five payment cards, which is a great opportunity to involve the rest of the family.

Your card or cards can be added via the 'My Account' section of your My School Fund account.
