We have our very own 'Royal' namesake in school!

We have Royal blood in Wyre Forest School. Our very own '**Archie Harrison**' Malek is in Year 1 and his favourite things are werewolves, playing with his friends and 'chippy' dinner.

Do we have any Aston Villa Fans out there?

A couple of lifelong Aston Villa fans Clark and George (who is a pupil at Wyre Forest School) were the first family to try out Villa Park's new Sensory Rooms recently. The rooms have been installed by the Aston Villa Foundation, who used the proceeds of two Fifty50 matchday draws together with funding from the Premier League and a donation from AViDS disabled supporters club. Request for help please!

Wyre Forest School would like to invite you to participate in our Jobs Fair, hosted at the school on Wednesday 12th June 9:15am-11:00am for our pupils.

We are planning a 'World of Work' Jobs Fair that covers different job sectors for students from Years 7-9 (Age 11-13 years). The students have moderate learning difficulties and are supported to access the curriculum.

These students would hugely benefit from this insight into employment and it would be a really valuable experience for them to meet local employers and learn about the skills needed to be an employee in the future.

We would like employers to offer students a 'have a go' practical activity on the day – do we have any Parents who are either employers or could ask their employers if they would be able to help with this please?

If you are able to help and offer a practical activity, please contact the school office in the first instance 01905 827785 or office@wfs.worcs.sch.uk

Onesie Wednesday – Update!

The final total raised for the Thomas Coram Foundation was £142.67. As well as the pupils wearing onesies, the children were asked to write or colour in love hearts which we displayed on the windows in the upstairs atrium, because when babies were left at Thomas Coram’s founding hospital the families would often leave a token as a memory.

Are you online

We’ve attached a document to this weeks newsletter regarding ‘Tik Tok’ which we feel is important that Parents read.

12K Recycling Scheme in School

Class 12K are collecting soft drink cans and bottle tops as part of their recycling scheme for Go Green and The Emily Jordan Foundation. They would appreciate any donations to be sent in to classes tied up in a carrier bag please!
