Dad's & Dens!

Dads' and Dens on Wednesday 19th June was well attended and enjoyed by all. Children, their families and class teams spent a very special hour making personalised woodland necklaces, building dens, foraging for bugs on the animal trail and generally having fun together. Thank you, Rich, for organising such a great afternoon.

BEECH Class request...

BEECH Class would really appreciate any donations of 'Cause and Effect' toys please. Cause and effect toys teach children that their actions can cause something to happen i.e. a sensory toy that introduces a cause and effect and helps develop fine motor skills. Thank you.

13S Visit to Wild Goose

This term Class 13S will be visiting a range of life after school provisions and we kicked started our visits off with Wild Goose in Worcester. All pupils had a fabulous time exploring all they had to offer and especially loved all the range of animals they had. Both Class 13S and 12G plan to return for a full day of activities on the 8th July.
