

Newsletter Friday 13th September 2019

Attendance: Whole School Target 2019/20 is 95%

Week Commencing 16th September will be Menu Week 3

Important Message from Mrs Garratt

Hoists!

Unfortunately, when the school was designed and built, no inspection hatches were put in to provide access to check the hoist fixtures over the hydro pool and over the trampoline. The insurance providers have informed us that we cannot use the hoists until it is rectified. This will impact on the pupils who require hoisting in to / out of the pool and the trampoline. The Governors are working tirelessly to get Worcestershire County Council to make good on the original build. They have said they will pay and fix the problem, but have yet to provide timescales for the work. When they do, I will of course let you know. Any complaints regarding this should be directed to Sarah Wilkins, Director of Education, her email address is swilkins@worcestershire.gov.uk

We're collecting again!

Ben in Year 10 is collecting empty crisp packets, biscuit wrappers and plastic bottle tops. These are then being taken to the cobblers in Bewdley for recycling. If anybody has any, please send them in to school and the children can take them to the English Room.

Parent Support Groups

Poppins

This is our Monday afternoon parent support group/stay and play session.

EVERY Monday 1:45-2:45 in the sports hall at school.

ALL parents/carers are welcome and during the first half term we will be talking to them and taking suggestions of what they would like to have support with during this time. We will then arrange a programme of events and guests who can meet those requirements.

Pre-School siblings are welcome as we have parent volunteers and Barnados staff running a stay and play alongside the support group.

A Flyers for this is attached to this email.

Understanding Your Child

This is a 10-week course for parents of children from aged 4 - 11 (there is another one they are running later in the academic year called 'understanding your teen' for the older pupils' families. It is run by the local Childrens' Centres at **St Johns Church on Tuesday mornings 9:30-11:30.**

This will provide parents with skills for supporting their relationships with their children, including; management of behaviour, sleep, diet, communication, enjoying time together, family rules, and more. Flyers for this have gone home with all Primary children, and if you feel you may benefit from support please come along and attend the taster session on Tuesday morning.
