OAK & PINE Class trip on the Santa Safari!

We had a magical experience at the Santa Safari for our 'Celebration' Topic. OAK and PINE children were lucky enough to have been given a complimentary visit to see Santa in his grotto and choose a gift. A big thank you to WMSP for being so accommodating for our pupils.

OAK & PINE & Forest School

After reading 'The Scarecrows Wedding', OAK & PINE have worked together to build our own scarecrow out of leaves in forest school!

Don't forget – on Thursday 19th, children can wear Christmas jumpers (if they want to) for a silver coin donation which will go towards Kidderminster Night Stop.

With online gaming gaining more and more popularity in young children, the risks of gambling and spending real money in games are on the rise. 'Loot boxes' are now common in games where real money is spent to win items. Parent zone have put together information in which adults can teach children about gambling risks. Visit the link below to access videos, tips, and quizzes.

Food Technology News

Dear Parents / Carers, in the Food Tech department we are thrilled by the number of students who weekly ask to take recipes home after practical lessons, to have a go at producing. We would love to see what your child has been preparing at home. I am making a collection of photos and would be thrilled to receive any photos or comments from yourselves, please email them to office@wfs.worcs.sch.uk for the attention of Ms Jilli Guy.

And don't forget – after Christmas, we would be grateful for any empty (or full!) chocolate tins!
