Bullying is rare. If pupils are unkind to each other the staff deal with it quickly.

Pupils are well prepared for their future. The careers programme is well led.

Teachers want all pupils to be the best they can.

Leaders understand the importance of pupils being able to read. Staff are well trained and supported by leaders to deliver effective programmes.

The arrangements for safeguarding are effective

## Chef of the week!

Excellent concentration in class, working independently and being a super star

Well done Annaliese, our first chef of the week for 2020. Annaliese has been working so well in Food Tech, showing amazing independent skills, really giving her best and being a super star in the lessons.

## A message from Cherry Class...

Children in Cherry Class would like to thank their families and friends for joining them for their Christmas Activities Afternoon at the end of last term. Everyone enjoyed a variety of Christmas Crafts and singing festive songs before sitting together for party snacks. A wonderful way to celebrate the end of the term and the perfect start to the Christmas celebrations.

## A couple of requests to Parents...

We have noticed there is a lot of chewing gum on our car park, please respectful when on our school grounds, we work hard to keep our school looking at its best for our Parents, Pupils and Staff.

If you see child left alone in a car on the car park, it is not for the school to police this. Please take your concerns to the Police station opposite the school or call 01905 822666, Thank you.
