

Newsletter Friday 13th March 2020

Attendance: Whole School Target 2019/20 is 95%

Week Commencing Monday 16th March will be Menu Week 3

Coronavirus disease (COVID-19)

Mrs Garratt is still receiving updates on a daily basis. Until we hear directly from the Government or Public Health England we will not close as we are fully aware on the impact this will have on our families. As always, please keep us updated with your contact details, so that we can keep everyone fully informed.

Easter Holiday Club

As you are now aware, we have had to cancel holiday club for the Easter Holidays. We have not taken this decision lightly, but have done it as a reaction to the current climate and to give our building a break from any bugs and keep it healthy for when we return on Monday 20th April.

Parents Evening & Life Beyond School Event Wednesday 11th March

Thank you to everyone who came along to Parents Evening and our Life Beyond School event. It was great to see so many of you there and supporting us! Many Thanks to the Friends of Wyre Forest who stayed and collected the many Bag2School bags, we'll keep you updated with the total funds raised when they have the information.

Year 10 Cookery Skills and Chef of the week!

Wow! Year 10 Food students have had a great couple of weeks researching designing and producing chocolate cake. They followed their design sheets to put the cakes together and the buzz in the room was great to see. I hope families enjoy the cakes over the next few days!

Well done to a young lady in Class 10MF who is our chef of the week. She produced the most amazing cake today, always gives of her best, tries hard every lesson and is a total delight to have in the lesson. Super proud of her, always.

Sport Relief...

There will be photos and an update next week...but in the meantime here are the staff from CHERRY Class re-enacting the film 'Cool Runnings'

Yew Class

Yew class have been thinking about ways to keep safe at home and in the community. We have been sharing books, looking around school and playing games to reinforce what is safe and what is unsafe. We were very lucky to be visited by PCSO Brooks. She talked to the children about Stranger danger, crossing the road safely and what they could do if they became lost in a shop. PCSO Brook also let the

children look at her car, sit inside, look at the equipment she carries and press the buttons for the lights and sirens. The children had a great time!

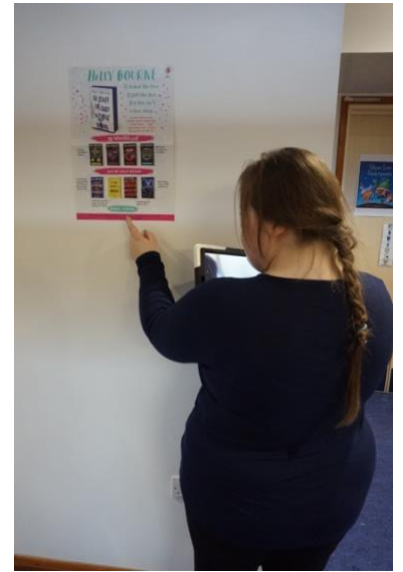

World Book Day

Thank you for all of your support for World Book Day. We had a fantastic day with a wonderful range of costumes and activities. Pupils created book doors, listened to stories being read and followed a First Line Orienteering trail. The buzz around school was brilliant with all pupils having lots of fun. The Year 8 pupils spent their World Book Day at Malvern Theatre and enjoyed a performance of Holes, which was very exciting.
