

Newsletter Friday 3rd April 2020

Due to COVID-19 we are operating a virtual school. Please contact office@wfs.worcs.sch.uk and we will get back to you as soon as possible.

This week is World Autism Awareness week but due to current circumstances this has taken a back seat, however if you feel pupils and families would like to take part at home, here is a link to on line activities, videos and helpful tips for everyone from the NAS.

<https://www.autism.org.uk/get-involved/world-autism-awareness-week/schools/free-school-resources.aspx>

We still have plenty of Rainbow Photos coming in. Have a look and see if yours is featured this week and how many others have you seen?

Lots of pupils have been cooking (and tasting!) at home this week, learning lots of new skills. There are receipes on our You Tube Channel and one posted on our website on the same page as this weekly newsletter.

Ben made Cheese and courgette muffins

Then flapjacks by following the recipe on our You Tube Channel!

And whilst some pupils have been cooking, others have been enjoying writing...drawing...painting...yoga(!)...time in the garden...putting a puppet show on for the neighbours...making an erupting volcano...helping Parents with household jobs...and making a video call to keep in touch with family - they really are all Superstars!

Below is a link to a simple story about the changes to life at present. It has lovely illustrations and can be used as a story or just parts of it to answer children's questions.
