Due to COVID-19 we are operating a virtual school. Please contact office@wfs.worcs.sch.uk and we will get back to you as soon as possible.

Now and Next Boards

Some of our pupils have found a 'now and next board' useful in school and our Communication Team have produced a template and advice sheet for you to use if you feel it might be helpful at home? Please click on the link to our website to have a look and print a template off if you want to.

What is a Now and Next Board?

The board has the words 'Now' on the left hand side and 'Next' on the right hand side, with a space above to add a symbol or photograph. It is a visual strategy to help children understand and complete desired tasks. It is almost like a list of jobs to do!

So what have our amazing pupils been up to recently? I hope you're ready for a roller coaster ride!
