## CHILDREN IN NEED SPECIAL!!!!

Last week Wyre Forest School staff and pupils took part in BBC Children in Need.

Using the Just Giving page and cash donations as a school we managed to raise **£413** for BBC Children in Need! What an amazing amount. Thank you to all staff and pupils for your donations, your kindness and generosity is incredible and there are children out there who more than ever at this tricky time need a little extra support. So, thank you all so much, we have proven just how wonderful Wyre Forest School is once again!

In the classroom, the staff and children in HAZEL class all did the 25-minute Joe Wicks PE Challenge along with lots of children all around the country and watched him complete his 24 hours! It was very tiring and lots of fun. Connor dressed up as Tigress from Kung Fu Panda for the day and Rebecca loved wearing her home clothes and Pudsey ears. Even Natalie's dog Dexter joined in and dressed up in his Pudsey Ears!

### CHERRY & ASH Class news

On Children in Need Day CHERRY and ASH Class have been thinking about some of the things that they need to keep them happy and safe. We decided that we need the cleaners at school, as they keep our school clean and safe every day, but especially so at the moment. We decorated their storage cupboard as a surprise, to thank them for their hard work and keeping us safe at school.

Class 12S took part in a sponsored silence for Children In Need, all pupils had a great time and we carried on learning about the charity to gather evidence for our Community OCR module. Thank you to all the parents who donated.

BIRCH Class enjoyed making Pudsey hats and joining in with Joe Wicks too!

Some staff and students were celebrating it at home too whilst remote learning and working from home!

OAK Class enjoyed some crafting activities for Children in Need.

9BW were also joining in with Joe Wicks in their classroom

## Are you a parent or a carer in Worcestershire?

### Do you have children with additional needs or communication difficulties?

It is a difficult time for everyone. As adults it is difficult for us to take in all of the information and change that Covid-19 has caused in our lives.

It is even harder to help children and young people cope with all the uncertainties and disruption. Children who are feeling anxious and unsettled often show this in many different ways, including through their behaviour or communication.

**We are here to help you.**

You can email us for support - one of our team will call you back.

You can find resources related to Covid-19 on our website below. We are adding new resources every week.
