Russell House Welcomes.....

We would like to welcome Owen to Russell House, he has already settled in so well and made some new friends. We also welcome our new Care Officer Freja to the team.

## Sycamore Center

This term, Russell House students have been able to start attending Sycamore centre again. The outdoor area offers a sand pit, playground, swings slides and a bike track to name a few things. Inside they have a soft play area, role play equipment and a café where our students have the time and encouragement to choose and pay for their items.

## Swimming

Every Tuesday we go swimming, we enjoy playing with the floats and playing ball games.

# Cricket

This term we have been attending a cricket club in Redditch, here we get to practice throwing and catching a ball, understand and participate in team work.

Each week we have seen the students build confidence in the sport and meet new people.

We will be ready for The Ashes in no time.

I like cricket because  
I like batting the

## On Site Activities

We have been taking full advantage of the wonderful things our school has to offer, such as soft play, sensory rooms, playgrounds, basketball court. We have even enjoyed a sports afternoon on the P.E hall, where lots of our students planned and delivered their own group activity.

## Youth Club

We continue to attend youth club on Monday's. They offer a variety of different activities such as cooking, air hockey, pool, cards, crafts to name a few. Here our students have the opportunity to meet new people and build friendships.

Youth club runs through the school holidays and have asked if our students would like to attend. If you would like any information about this please contact us.

Students enjoyed taking part in clay model making. We were asked to make a model of ourselves, this was to show everyone is different and unique. These will be on show at Kidderminster town hall in May.

## Easter Party

The term has ended nicely with at Easter party where all students took part in making Easter cakes, playing games and finally an Easter egg hunt where students beat staff in filling their pockets with lots of chocolatey treats, great fun was had by all.

Russell House staff and students would like to wish you all a Happy Easter!
