## Sports and Exercise

We know how important exercise is, not just for your physical health but also for your mental health. This term we have been taking part in lots of different physical activities such as cricket, basketball, swimming and walking.

Our student have even took turns to bring their own ideas to the group.

## Jubilee Celebrations

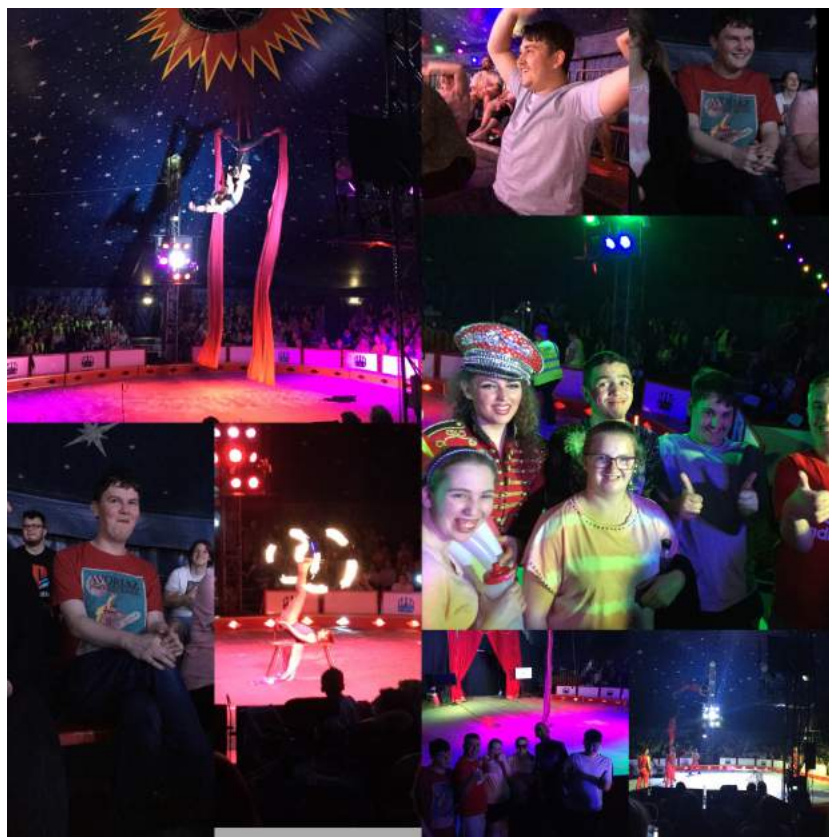

We had great fun celebrating the Queens Platinum Jubilee. We made our own bunting, which was very messy.. but very fun. All of our students helped to decorate the house ready for our party. We enjoyed bringing the karaoke outside to sing to school staff.

## Visits with The Vale

This term we have been going on outings with The Vale of Evesham school. They, like us, are a residential boarding unit attached to their school. Our students have enjoyed meeting new people and asking them questions. Our first trip was bowling in Worcester, we had lots of fun. The Vale kindly invited us to the circus. We has so much fun.

Circus Starr is designed specifically for children and adults with additional needs. It's very inclusive and welcoming.

# Summer Fun

We have had lots of fun playing (and cooling down) in our new pools.

# Ice Cream Van
