

6th Form Newsletter

From the 6th form newsletter team.

Interview of the Week - Karen Ingarfield (Pupil Review Manager)

What does your job role involve?

I make sure the EHCPs are kept up to date.

What do you like about working at Wyre Forest School?

I like the friendly pupils.

Did you make a New Year resolution?

I didn't make any New Year's resolutions.

What do you like to do at the weekend?

I enjoy quilting

Who inspires you and why?

Kaffe Fassett because he uses colour in fabrics.

Joke of the Week

6th Form recipe of the week

[Raspberry Cheesecake with Oreo Cookie Base \(bakewithstork.com\)](http://bakewithstork.com)

13K

The Tuesday café group served soup for the first time this week.

We made vegetable soup.

Here we are checking the temperature to make sure it was hot.

In Healthy Living 13K are taking part in fitness and wellbeing activities.

We have been enjoying Yoga, learning the different phases and then we play 'Yogi Says'

12S

12S have had a fantastic week!

We have made some very tasty wraps and sides in our Independent Living Skills sessions.

We have looked at Healthy Living and what it means to be healthy - see our dancing picture!

In functional skills we have been serving our peers in our class cafe.

14B

Massive Well Done to a 14B student this week for taking on a role in the school Relish kitchen. We received amazing feedback from James and Alison to say how great and enthusiastic our student was.

Class 14B also returned to the Odell Centre after the Christmas break for our Zumba sessions.

Pupils had remembered all the moves!

In this section of the newsletter, we will try and share open days and events at the local colleges and social care providers.
