

## The Great British Plant off

240... The number of tree and bush saplings planted around the school by pupils across the whole school!!! What an amazing achievement! I am so proud of the pupils and a big thank you to all staff who helped.

From Dan's class wanting to water every day, to a pupil in Louise's class saying "I've never planted anything before, it makes me feel good", to a pupil in Sue's class who really didn't want to plant but ended up doing two... Thank you to all the pupils for getting green fingers and getting stuck in.

I really hope the pupils have found a newfound enjoyment for planting and nature in which they can transfer to outside of school and in their future outdoor learning lessons.

Mr Harper

If any of our pupils want to find out more information or do some activities that involve trees, plants, animals, forest school crafts and anything outdoors... Please visit

<https://www.treetoolsforschools.org.uk/categorymenu/?cat=activities>

It is very interactive and accessible on most laptops and devices!
