Dear Parent

SCHOOL GOVERNING BODY - PARENT GOVERNOR ELECTION

There is a vacancy for a parent governor on the school's governing body. The term of office will be 4 years from the date of appointment.

The governing body plays a vital part in shaping the school's vision and strategic direction, offering support and challenge, setting priorities and managing its resources. Parent governors bring a valuable perspective and make an important contribution to this.

Governing bodies have three core functions:

- Ensuring clarity of the school's vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils; and
- Overseeing the financial performance of the school and making sure its money is well spent.

No special qualifications are needed; the most important thing is to have a keen interest in the school and be prepared to play an active part in the governing body's work. Training is available for all governors, and this governing body has an expectation that those new to being a governor will take up induction training.

I am therefore writing to invite you either to nominate yourself or to nominate another parent/carer to fill the vacancy. A nomination form is enclosed (additional forms are available from the school office). If you would like to nominate, please return the completed form to the school office by **Friday 5 May**

Any person nominated must be a parent or carer of a currently registered pupil at the school.

Please note that you are not eligible to be a parent governor if you are:

- a) an elected member of the Local Authority; and/or
- b) paid to work at the school for more than 500 hours in any twelve month period.

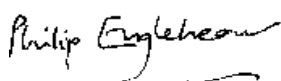

No-one may propose and/or second more than one nomination. Those nominated are invited to give on the form some brief biographical details that can be included in the voting paper if a ballot turns out to be needed.

There are certain circumstances that disqualify individuals from holding office as governors (listed overleaf). Please take a moment to read these.

If only one nomination is received, then that person will be elected unopposed. If there are two or more nominations, the election will be by ballot. If that is needed, voting papers will be sent to you together with details about the ballot procedure.

If the vacancy is not filled by election, then the governing body will have the opportunity to do so by making a direct appointment.

Yours sincerely

Clerk to the Governors
