

Forest School Day

Wow! What a day... A big thank you and well done to all classes that took part. Pupils decorated wood cookies, created natural sculptures, used natural materials, and made some fantastic art.

Pathway 3 and around 30 parents/carers experienced a forest school session in the pouring rain! Well done to the parents that braved the conditions and participated in the activities. Activities such as toasting marshmallows, sawing wood cookies, insect hunt, shelter building, assault course, digging, and orienteering were available. A huge thank you to Mr Liggitt for supporting and all the staff that got drenched, helping parents, and manning the different activities. Next year, I might order some sun! Thank you all. Mr Harper.
