

We all have arguments

How do you resolve yours?

How might your children feel when you argue?

Harmony at Home is Worcestershire's approach to the Reducing Parental Conflict (RPC) initiative.

Parental conflict, can range from swearing and shouting between parents, to children feeling like they are walking on egg shells when the conflict is more silent. This is known to have a negative impact on the life chances and well-being of children and young people, particularly when conflict happens a lot, and is left unresolved.
