Information for Parents

A massive welcome to our families old and new. I hope you had a good holiday but if there is something you need help with do not hesitate to ask.

The children are an absolute credit to you and have come back beautifully. It was like we had had just a weekend, not 6 weeks off. Well done everyone. This week we have also welcomed our reception children who have been doing ½ days and will start full time on Monday. They have been incredible, and it feels like they've been with us for months not days. On Thursday we welcomed the few new children in different Pathways across the school and they too have just settled into the WFS family.

Russell House opens Monday to welcome back our residential pupils, and I know there is a busy term ahead for them.

Please remember if you are dropping off and collecting your child the school day is 8.50am to 3.00pm. We open gates earlier to help with the flow and journey around the school. The car park is a staff carpark, but Matt our fabulous car park attendant will try and help you find a space. If you park by the pavement, please remember it is a pavement and don't park on it, also you will be blocked in by transport if you park here and you will have to wait until transport enters the compound. Please be patient - drive slowly. If you park in a disabled bay, you must display your blue badge.

Staff will get back to you as soon as possible if you have messaged or emailed (within 24 hours during the working week). Staff will not be responding to emails after their working day, weekends or holidays. They too have families and dependents that need them.

At the end of next week's newsletter, will be the diary dates for the whole of the academic year. Put them in your diary and we will remind closer to the dates.

Finally, from me this week, if you have a problem, worry or concern, please let your class teacher know asap, or let the office know so it can be dealt with quickly and not turn into a major issue. It doesn't matter how small it is - if it is causing you a niggle or worry let's sort it.

I look forward to seeing you at the different events across the academic year and I am excited for the year ahead.

Mrs Rebecca Garratt

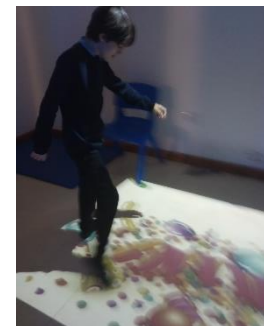

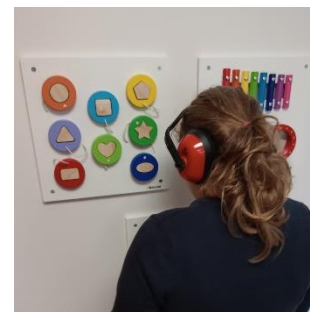

Headteacher

PARENT POP IN

SYCAMORE Class

Sycamore class have settled back in really well and have enjoyed exploring our new resources and engaging with the staff.

We have done well transitioning to different places.

The Occupational Therapy Service will be reviewing children's specialist seating equipment in Wyre Forest school,

ON: 12/09/2024 and 17/10/2024

If you have any questions or would prefer your child not to be included in this check - please contact the Service on the following email stating your child's name.

WHCNHS.PAEDIATRICOT@nhs.net

WILLOW Class

This week in P.E we have been engaging in gymnastics. We have had lots of fun moving in different ways and we have been learning how to hold specific shapes with our bodies.
