

Newsletter 7th October 2016

Menu Week: Week beginning 10th October will be Week 2

Sixth Form Coffee Morning

The sixth form held their first amazing coffee morning last Thursday. The young people worked really hard to organise and run the event. Each of them took a designated role and worked together to offer parents a variety of experiences. We sold gifts made by our enterprise group- Goodies Galore. Coffee and cake was served to support the Macmillan charity. Bulb planting and a clay craft activity allowed us all to get our hands dirty.

It was fantastic to see so many sixth form parents come along to support us. Thank you. We hope to see you for the next coffee morning on 19th January 2017.

Macmillan Coffee Morning

We raised a total of £313.31 from our Macmillan Coffee Mornings – many, many thanks to those of you, who baked or sent in cakes or came and along and participated. Lots more photos for you to see on our website – please take a look!

Snowdon Moonlight Challenge in aid of NSPCC

Our very own Susie Griffiths has also been raising money by climbing Snowdon at midnight!! She raised a total of £495 for the NSPCC. Well done Susie!

World Maths Day Friday 14th October.

We are counting down to World Maths Day next Friday when the pupils and staff will be enjoying a variety of games and activities which will prove that Maths can be fun for everyone. To help set the theme of the day we are asking staff and pupils to wear a top that has a mathematical link. This can be a sports top or t-shirt with a number or date on it, something with shapes or patterns would be appropriate. Maybe you have a birthday badge or baseball cap with a number on it, if you don't have anything suitable please don't worry as staff can help pupils decorate their clothes with stickers, cut out numbers etc on the day.

Sixth Form News

6th Form have made a great start on our allotment this term, students have worked as a team clearing our site ready for planting.

The 6th form would like to thank The Shed Garden Centre and Coffee Shop at Stourport for their very generous donation of garden equipment for our allotment.

Year 11, 12, 13 Prom has been booked for **Friday 23rd June 2017** at the Gainsborough Hotel, Kidderminster
