

Sixth-Form Transition visits

This term students have enjoyed the beginning of transition visits to different post-school environments. This enables each young person to find out more about what's available to them, express an opinion about their future and begin to make informed choices for Life after Wyre Forest School.

Visits so far have included: Sociables leisure facility, Derwen College, Queen Alexandra College and Our Way social and leisure services.

Our Way - students enjoyed meeting Sian (a Young Persons advisor) who is available to support young people and their families through transition. They met at Kidderminster Youth House and were able to find out about different youth groups and clubs available to them at weekends and during the evenings. Leaflets detailing these clubs were sent home following the visit but for any more information please feel free to contact one of the sixth-form staff.

QAC - some students visited Queen Alexandra College in Birmingham and were given a tour of the friendly and exciting campus. They particularly enjoyed the impressive sports arena and gym, performing arts department, art area and also the support offered for finding work experience and employment, and also travel training.

You can see a short film showing the college and all its facilities by visiting <http://www.qac.ac.uk/college/qac-in-film/17.htm>

Derwen Residential College, Oswestry. Some of our students visited this very exciting residential college. We were made very welcome and were given a tour of there facilities. Our students were impressed with there residential area, dining room and the arts centre where they put on a small performance for us and then got our students involved which was great. A great visit thoroughly enjoyed enjoyed by all.
