

Newsletter Friday 3rd March 2017

Menu Week: Week beginning 6th March will be Week 3

Attendance: Whole school attendance as of 17th February is **93.8%**

Registration group with the highest attendance as of 17th February is **ANDY TRAIN with 98.8%**

School Disco

Stanley Baldwin Class arranged their second, all school disco on the last Friday before the holidays. Once again it was very successful with smiles all around and a full dance floor at all times. The refreshments went down well too and they managed raise £ 86 towards their prom. Thanks to everyone who supported us with this.

Secondary Food Technology News

Well we have had a flipping good week in the food department, predominantly making pancakes and crepes in different forms, but also hosting a tea party, to practise our entertaining skills and continuing to complete our GCSE coursework, keep up the hard work, my Year 11 girls!

You can see some of Loree Napier class expertly cooking pancakes then considering their favourite toppings, so as to fully enjoy their shrove Tuesday treat. Year 10 catering students prepared crepe suzette which was out of this world. I also had a go at a little flambé, and pleased to say my eyebrows are intact!

I hope you all enjoyed your own pancakes this week. Our recipe is on our website!!!

Ms Jilli Guy

Maple Class

Maple class have been working super hard preparing for their assembly on St David's day. They have learnt to say good day in welsh and have made lots of lovely daffodils and flags for their assembly parade.

Sixth Form News

A 6th Form pupil has been nominated to receive an award at Worcestershire's Children in Care and Care Leavers Council. The celebration event is taking place on the 26th March and we are really pleased to share this news with you.

Amy celebrated her 18th Birthday on the 14th February. During half term she visited relatives in Newcastle upon Tyne and on her return brought back 'Pease Pudding' and 'Stotties' for her friends in 6th Form to try.

On Monday, 6th Form visited Mencap as part of their transition to further education and employment. They participated in a lesson about interview techniques.

In 6th Form we have 5 enterprise companies, 'Goodies Galore' part of the nationally recognised Young Enterprise, 'The Blossom Tree Café', 'Tuck Shop' and 'The Car Wash Company' all offering employability skills to our pupils. At the allotment we have been making planters from tyres and garden shelf units from pallets as part of our wet weather projects. The tyre planters are for sale at £10 each, this consists of 3 tyres but no plants. We have one on display outside the school entrance. Please contact sixth form if you would like to buy one.

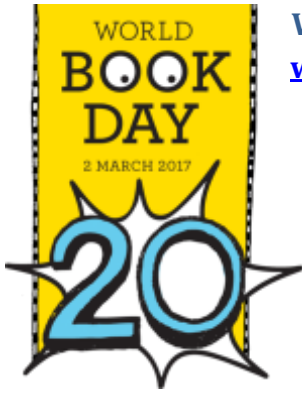

Thrive Class

In Thrive class we have enjoyed celebrating pancake day. We have looked at the traditions of Shrove Tuesday in this country, finding out why we eat pancakes and what Lent means for Christians in the UK.

We have also researched 'pancake day' in other countries. In many places it is known as 'Fat Tuesday'. In Germany it is celebrated on a Wednesday and in Sweden people eat Semia- a bun filled with marzipan and cream!

MARCH	
10	BIRCH ASSEMBLY
16	Year 11 Art Exam
