Information for Parents

DON'T FORGET WE ARE CLOSED ON MONDAY 1st MAY 2017

Message from Mrs Garratt

We are pleased to welcome our two new teachers; Jessica Manley and Lyndsey Kirby. Please don't forget to check out our school website for policies and information and signup to follow us on Twitter. Holiday club was a great success but places will be limited when holiday club runs due to only being able to offer places being dependent on staff willing to give up their holidays.

You may have seen in the media that schools are facing budget cuts and increasing pressures on their budgets. We too are now in this position and as a Special School we cannot say we are full so are having to take pupils over our commissioned places. This leaves us with less funding but increased pressure on staffing and resources. It appears that the more successful we are, the more parents are wanting to send their children to us, the more we are financially penalised. I urge you to support us by giving parental donations when we ask for it, for example horse riding or cookery ingredients - even a small contribution will help. We are working hard to ensure that the increased financial pressure is not detrimental to the pupils and if you are concerned to address these concerns to your local MP or the Local Authority.

We will send a full calendar for the rest of the year with next week's newsletter (or check for dates on our website), but important dates for your diaries are as follows:

Transition mornings: 4th and 12th July 2017
School Reports to Parents: 18th July 2017
Opportunity to talk to staff: From 3.15pm 19th July 2017

With our newsletter this week there is a leaflet regarding a "Wheels for All" event at Stourport on 30th April 2017 and information about our Parent Support Group. If you are interested in joining the Parent Support Group please return the form to Bev Cooper at school, thank you.
