## Information for Parents

### Message from Mrs Garratt

The New Children and Young People's Plan is currently being developed, and partners from a wide range of organisations are already involved.

The new plan will

- Clarify the collective ambition and aspirations for all children and young people in Worcestershire
- Focus on key priorities and success measures
- Set expectations around the way we work in Worcestershire
- Provide a framework for all agencies and organisations working with children, young people and families to make the necessary impact to improve lives
- Build on and add value to existing plans

So how can you help?

It's important that as part of the development of the plan we engage with as many

- Children
- Young People
- Parents/Carers of children and young people
- Practitioners who work with children, young people and families

## Sixth Form News

Blossom Tree Cafe is officially open, we would love to see parents and Carers. You will receive a warm and friendly welcome in a beautiful setting. See you there.

Some Year 10 PSHE students had a lovely afternoon at The Blossom Tree Cafe at Springfield Park. It is a brilliant Sixth Form enterprise project and the student waiters/waitresses did a fabulous job getting us delicious drinks and cakes, at amazing prices. Pop in and see them!

The Sixth Form met with PC Neil Sharpe last Wednesday to ask him questions about his job, and role within our community. The pupils really enjoyed the sessions and asked PC Sharpe some wonderful questions which will go towards their unit in Life and Living Skills called Community Action.

There is a full calendar with this week's newsletter – we are just waiting for a date to be confirmed for Upper School Sports Day. We will keep you posted.
