Attendance: Whole school attendance w/e 26th May 2017 is **94.6%**

Registration group with the highest attendance as of w/e 26th May 2017 is **ANDY TRAIN** with **98.5%**

Information for Parents

Please don't forget - Some of our parents escort their pupils to their classroom in a morning and at the end of the school day. We would love this to continue, but to fully conform to safeguarding we will need to get a member of staff, most likely from the class team, to escort you whilst on the school premises. We thank you for your understanding on this issue as I know all of our priorities are to keep our children safe.

Emma Jesic will be running a sensory integration day on 15th June between 10-2 in the school gym. The reps from the company 'Smirthwaite' are bring along their sensory integration equipment and converting the gym into a big sensory room for the day to show their equipment. The children will be invited to come along and play on the toys and equipment and parents can drop in to see what the sensory integration therapy equipment looks like and speak to the OT if they want to.

The Wyre Forest School Parent Support Group will take place every Monday morning from 9am to 10am at Russell House. The first one will be Monday 19th June. Please let Emma Johnstone know if you would like to attend.

There will be a special needs session at Brinton's splashpark Kidderminster starting **this** Friday from 6pm - 7pm and continuing weekly until the end of August. Fran Oborski has arranged this for our children with one of our parents. There will be restricted access for others during this time.

TIP OF THE WEEK from the Speech and Language Team:

When you're introducing maths concepts, be consistent with the vocabulary you use. Don't introduce a new word for the same concept until you are sure the child has a secure understanding. When you do introduce a new word then make sure you tell them it means the same thing!.

Winning Book Bench Design

Jessica in Year 10 entered a Book Bench design competition in the spring term and her design won. We have spent the last couple of weeks painting the bench and we thought you might like to see the results. It will be displayed in the Crowngate Shopping Centre as from 1st July and in The Hive (Worcester Library) from 4th September.

Wyre Forest School Art Display

Over the half term holiday Mrs Garratt went to Worcester Cathedral to look at our pupils work from Middle and Upper school who have recently taken part in an Artist in residence project.

They have produced some amazing work with Tanya Raabe - Webber, a disabled artist who specialises in portraits. The project was funded by NADWAS and on display as part of the counties Voices and Visions project at Worcester Cathedral. The exhibition runs until the 11th June.

Special Olympics Awards

Harry from Robert Plant class participated in Special Olympics at The Alexander Stadium on 3rd June. He got 4 medals: silver in soft ball throw, 50m and relay; and bronze in standing long jump. He had a great day. Well done Harry!

Willow Class

The weather outside this week may have been miserable but that hasn't stopped the sun shining in Willow class! Our topic this term is 'Here comes the sun' and to get into the spirit, a beach cafe has been set up in the class for the children to enjoy summer time fun!

Throughout his term we will be sharing summer stories, songs and activities to support learning about the weather, travel and ways to keep safe this summer.

Lets hope the weather starts to get more summer- like for us soon!!!
