Blossom Tree Café News

We have received a visit from Isobel Moore, Food Standards Agency. Blossom Tree Cafe has been awarded the top level in Food Hygiene. Well Done Team!!!!

Kennedy Class Residential Trip

We had an amazing residential trip to The Wingate Centre; visiting the zoo, a windy Llandudno and a session in the gym. Everyone was amazing and enjoyed themselves thoroughly. Roll on next year!!

Dance Performance at The Artrix in Bromsgrove

Seven students performed at The Artrix Theatre last week. They were chosen to perform alongside 12 other schools from across the two counties to represent innovation and excellence in "Dance in Education".

They were absolutely amazing and were a credit to themselves and our School.

Special Award

We were so proud of our year 10 pupil Jessica who collected her 'Be the Change' award at Kidderminster Town Hall. This award recognises young people from the Wyre Forest who have 'made a difference' in their own community. Jessica regularly supports younger pupils at school, is a sport leader and also volunteers at her own local Tae Kwondo group outside of school, as well as attending various clubs herself!!! Our only question is how does Jessica find the time to rest? Well Done Jessica for a well deserved award!

Sports Day News

We had both sports days in the last week. Both were a huge success! The children have been practising really hard in PE lessons, and the results on the day proved they have been both listening and improving! Primary sports day was on Baxters all weather pitch; weather was just right and must be one of the best supported sports days by parents I've ever been involved in, big thank you to those parents who watched, participated and cheered on all the children. The Baxter young leaders were fabulous, we have used them a few times, and they get better and better each year, well done Baxter! Then there were the children taking part with such enthusiasm and joy, they were fabulous in every way. We are very proud of our children at WFS, and the day just showed everyone present exactly why, they were a credit to themselves and the school.

We had the secondary sports day this week and again the weather was kind! The running races were keenly contested but the underlying camaraderie was the really special factor, which was beautifully exemplified by Ciaran in Sixth Form, after finishing his own 400m, returning up the track to run with some of the back markers, encouraging them on to the finishing line, this was the theme of the day throughout. Again, there were plenty of parents on show to cheer on not only their own children but offer encouragement to others also. The parents races were a particular highlight, I hope the hamstrings aren't too tight after a couple of days recovery! Our secondary children also make us very proud with their effort, behaviour and spirit, this was evident all morning, again they should be very proud of all their efforts leading up to and on the day itself. Great thanks to all those involved in both sports days, have a great summer everyone....see

you next year!
