

# Newsletter Friday 6<sup>th</sup> October 2017

**Menu Week:** Week beginning 9<sup>th</sup> October will be Week 3

We are very proud to say that Cameron from Class 10PG passed all the preliminary rounds and has been selected to represent England at an International Scout Jamboree in Virginia USA in 2019.

Cameron will have to fund raise to go and he needs to raise £3,600. If you have any ideas to fund raise, would like to sponsor (or maybe your Company?) or make a donation, please email Cameron's mum at [sammysnake1979@yahoo.com](mailto:sammysnake1979@yahoo.com)

## Parents Information

### Parents Questionnaire

Along with the newsletter this week we are sending home a questionnaire to all parents and asking if you would please complete it and return it to the school office by Friday 13<sup>th</sup> October 2017.

Please be honest, we really value your opinions!

### Dogs On Site

If you bring dogs on to the school site, please ensure they are on a lead and that you are fully in control of your dog. Some parents and children are nervous of animals and can be quite frightened by their barking or yapping. If we have complaints about particular dogs we will insist they do not come on to school property.

Rebecca Garratt – Headteacher.

### ASH Class News

On Friday 29<sup>th</sup> September, ASH class had a special visit from 'Crom' the Viking, which nicely linked to our topic, 'Under Attack!'

The children were extremely excited when he emerged from behind the trees when we got there.

They were all eager to ask him some questions about his family, his home, what he eats, whether he owned a longship and if he ever got seasick! He was even asked how long it took to grow his beard.

The children helped Crom by finding sticks so he could light a fire and cook his food.

A very memorable morning for the children and staff!

## WORLD MATHS DAY IN SCHOOL – FRIDAY 13<sup>TH</sup> OCTOBER 2017

All pupils are asked to wear a top or a hat that is mathematical e.g. numbers , patterns, shapes on it etc as previous years and we will enjoy a fun day full of maths activities.

### 13S Belbroughton Scarecrow Entry

13S have helped to make and install their Tin Man into this year's Bellbroughton Scarecrow festival. The boys loved the noise the cans made on each other as well as helping to stick and piece him together. We were even able to complete some PSHE recognising different parts of his, and our own bodies. It IS all about 'the taking part' but we are really hoping to win another prize if we can!

### 12BC Visit to Chadsgrove School

What a brilliant day Class 12BC had when they attended The School Games at Chadsgrove School in Bromsgrove. They took part in Sensory Orientation and worked alongside 3 other schools in completing a range of outdoor tasks. The pupils from Chadsgrove were our hosts and made an outstanding job of welcoming us there.

Here are a few pictures from the day!

Jeans for Genes Day - Total Raised

**£279.30 – Thank you everyone!**
